Mission Statement: Your agency is responsible for submitting a Mission Assignment Monthly Progress Report to FEMA to include cost data when Mission Assignments take more than 60 days to complete, including billing. The Mission Assignment Monthly Progress Report can be accessed and submitted on-line at http://www.fema.gov/government/business.shtm The new ALC number can also be accessed at the web address. Due to the time it takes to mobilize personnel and equipment and to meet mission assignments, it is imperative to pre-position resources ahead of the storm.
